Go down Stoney Lane following it to the back of Todmorden Golf Course. Turn right on road exiting golf club then left on Cross Stone Road. After approx 50 metres **946248** turn right on the steep, narrow, walled footpath immediately before the church. Cross Hebden Bridge High Street (with Co-Op on right) and turn left along high street for approx 75 metres. Just as the main road bears slightly right, take cobbled lane on right (Stoney Lane) **989272** leading to steep steps which meets Heptonstall Road at top. Stay on road bearing left as it climbs steeply into Heptonstall. Turn right at the Cross Inn pub in Heptonstall and follow Calderdale Way. Cross the road **989285** to join a narrow walled path which drops steeply to Horse Bridge past the Blue Pig Social Club. Then climb the steep tarmac lane which eventually leads to Top O't Stairs. Follow the track dropping down to Leeshaw Reservoir and passing below dam wall before coming to Moorside Lane. Turn left up Moorside Lane to **018361**. Immediately after disused toilet building bear right on track and cross Penistone Hill to **026369**.
